Digest—An Ordinance to amend the Board Rules of Procedure to comply with the Louisiana Open Meetings Law as it relates to public comment period. The law states that public comment must take place before the governing body takes any action. Action is defined as board discussion or resulting motions on the item so once the item is offered and receives a second the public comment period for that agenda item begins. This is not a question and answer period but a time to hear public comment on the subject before Board discussion commences. The intent of the law is that public comments should inform and direct the Board’s decision. Included in the body of this resolution are guidelines for informing the public of the agenda items and their intent by posting on the Parish website. *The digest is for informational purposes only and is superseded by the language of the actual ordinance or resolution.*
